PETITION TO WITHDRAW FROM ABANDONMENT/
REVIVE APPLICATION

Dear Sir:

The above-referenced application was filed August 3, 2000 without Declaration. Applicant is now submitting the Declaration. Further, applicant has now received a Notification of Abandonment indicating that the individual who authorized charging the filing fees was not listed on the authorization sheet. In fact, applicant's representative had only recently set up its deposit account number at the time of this submission. However, the assignee of the above-referenced application, Meritor Automotive, also had a deposit account for which applicant's primary attorney contact was authorized. It appears the numbers of the two deposit accounts were inadvertently switched. However, applicant did make a bona fide attempt to pay the filing fee within the required period of time. Thus, it is asked that the Notification of Abandonment be withdrawn. It was a

simple mis-listing of deposit account numbers that resulted in the failure for the patent office to receive the fees, and applicant would ask that the abandonment be withdrawn and that the filing fees be charged to deposit account no. 50-1482 in the name of Carlson, Gaskey & Olds. If, however, the filing fee is not accepted at this point, and that the abandonment is held proper, applicant hereby requests the following:

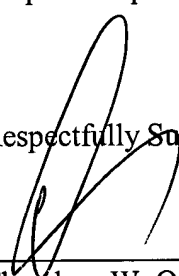

1) Please consider this petition to accept late payment of the fee and the Declaration. The petition fee for reviving the unintentionally abandoned applicant in the amount of \$1,240.00 may be charged to deposit account no. 50-1482 in the name of Carlson, Gaskey & Olds.

2) Any surcharge associated with the late submission of the Declaration may also be charged to deposit account no. 50-1482 in the name of Carlson, Gaskey & Olds.

3) Any delay from the point of receiving the Notification of Abandonment mailed 12 October 2000 and today's date was also unintentional.

It is believed the above constitutes a complete response to the Notification of Abandonment.

Respectfully Submitted,
